

We all need water!

Join Us For the
First Annual

Four Rivers Watershed Sustainability Summit

Monday, March 27, 2016
Curris Center Small Ballroom
Murray State University
8 am to 3 pm

Come celebrate our abundant water resources that are so important to our region, learn about local projects to improve and protect our water resources, and things you can do to help! Educational seminars, booths and demonstrations will be occurring throughout the day. Please visit www.jpjf.org for more information or to register for this event.

*Registration is not required, but is encouraged.
